- A. What is something that ‘worked’ for you, a strategy or activity, last year in class that helped you be successful?
- B. Look at **page 1** of the course outline
- 1) Is there a unit that you will find particularly interesting to explore?
 - 2) Is there something - a ‘rule’ or way that class works - that you might find ‘challenging’ this semester?
- C. Look at **page 2** of the course outline
- 1) Of the 3 types of tasks is there one type that you feel is a strength for you (and why?) and one that you feel will be more of a challenge? (and why?)
 - 2) What is the difference – in your own words – between:
 - Exceeding & Fully Meeting
 - Fully Meeting & Meeting
- D. Look at **page 3** of the outline and answer the following
- 1) You are ill – so you.....do what?
 - 2) You need to find out what the homework is...what do you do?
 - 3) You need to ask a question of the Sensei after class... You have 2/two options – what are they and what is the difference between them?
- E. Look at **page 4** – of all of the skills that a language class helps develop which do you feel is the most important for you and your future (and why)?
- F. Is there anything that I should know to help you in your learning this semester? Or do you have any questions?
