

PLEASE READ CAREFULLY AND COMPLETE WORK IN THE ORDER YOU ARE ASKED TO.

- 1) Pop check-in corrections done and handed in if needed
- 2) You will be learning about the indigenous Ainu people of Japan.

Please read all of the information first and then do the work IN ORDER. The homework is to be done AFTER you have done your reading and viewing

- 1) Unit book page 2-6 – read the article highlighting interesting things you learn about the Ainu people
- 2) Unit book page 30-32 – read about the recognition of the Ainu people in Japan
- 3) [Powerpoint Link for 2 videos](#) (Powerpoint and Videos also on Teams)

Homework – Unit Book page 14 – after reading and viewing you are to prepare 10 key things about the Ainu people with at least one of them (hopefully 2) in Japanese. They are to be what YOU find “Key” not just copying out things to complete it. We will be discussing this in tomorrow’s class
