

日本語 1 2

Here is your work for the day.

Go through it carefully and follow the instructions!!!!

Part 1: Review parts of the body – Quizlet

Go to the link on the website and review the parts of the body.

Complete at least one matching quiz in under 30 seconds - bonus marks for under 15 seconds – and a prize to the fastest (be honest!) then send me a message (email) telling me your best time.

Part 2: Health Kanji page 26 – 30

Go through and practice the Kanji on page 26/27 at least 5 times on page 28

Then fill in the ‘quiz’ on page 30 (don’t forget there is previous kanji on page 29)

Part 3: Page 11 - 「日本語 1 2 どうしたんですか。」 story

Read the story on page 11 of your unit book with your partner

Read it out loud – you may wish to highlight vocabulary as you find it (a good idea!!)

Vocabulary is on page 9/10 and the back of this handout

Then answer the questions on page 12

Part 4: Readings Book – どうして かぜをひく？ “How do we catch colds?”

Read the story on page 11/12 of your Readings Book with a partner

Read it out loud – you may wish to highlight vocabulary as you find it (a good idea!!)

Extra vocabulary on the back of this handout

Then answer the question on page 13

Done early.... Quiet work – no sleeping - no scrolling on phones....
