

アニメ・マンガの れきし

Read about the history of manga and top facts about Anime and answer the following questions – send me your answers via TEAMS. I am asking for:

- full sentence answers
- in your own words
- some ‘thought’ put into the response

1. What is one interesting thing you learned about the ‘Founder’ of story manga?
2. What are three things you learned about manga that you would tell your fellow manga fan friends (perhaps 3 things they might not know)
3. What are two “fun facts” that you didn’t know about in Anime? What is one that you did?
4. You like to read manga on the internet? Why would the internet manga appeal over the traditional ‘book’ manga?
5. Your grandparents ask why you are reading and watching ‘cartoons’ and tell you that that they are for children. Do you agree or disagree with this characterization of anime/manga? (and, most importantly what are your reasons backing up your opinion?)
