

You will be speaking with partners for about 10-12 minutes....and to prepare...look at the topics you can talk about and...

You are to do some planning for each topic – find the ‘chunks’ of language (phrases etc) that you will need to be able to discuss things.

You should not be writing out sentences to memorize – but you are finding the pieces of language that you need to talk about these topics at a grade 10 level.

You are to spend some time generating things that you will say...

You may have notes but to be Proficient/Fully Meeting you will not need to use them...but if you need them – have them

You want to use Japanese at a Grade 10 level – I should hear you (I will several times) and think “I am hearing a student who can use the things that we have been learning – use them quite well...and is not just relying on what they learned in the previous grade”
