TASK 3 COMPARING TWO ACTIVITIES - Page 21/22

Have a read of page 21 – it's a basic concept to set up a comparison of doing two things and how you feel about it.

To do this you must use the Plain ます + こと

Step one – set up the two activities to be compared (see the example on the page)

Plain ます + こと + と、	Plain ます + こと + と
スポーツをすることと	スポーツを見ることと
Playing sports	Doing sports

Step two – establish the comparison

どっちが もっと _____ と おもう？

Which do you think is more _____.

And you have your question?

スポーツをすることと スポーツを見ることと、どっちが もっと つまらないと おもう？

Which do you think is more boring? Doing sports or watching sports?

NOW DO Page 22 – write the question for the comparison and (using notes on page 21)
AND THEN try to add your answer!
